

No one can do it alone. All parents need support to give their baby a healthy start in life.

If you are:

- Thinking about having a baby
- Pregnant
- Caring for an infant or newborn
- A new dad
- Looking for social support
- Feeling overwhelmed or just not sure where to find help

Many things contribute to a healthy and safe pregnancy. If you are pregnant or planning a family, Healthy Start can help you get the information and services you need to have a healthy baby, raise a healthy family, and keep yourself healthy and strong.

Maternal-Child Health Navigators can help connect you to the resources you need:

Prenatal, delivery and baby medical care

Mental and behavioral health support

Healthcare insurance help

Baby care basics and new parent education

Pregnancy support and education

Support for fathers learning to establish healthy relationships

Family resources to help you create a healthy home

Access to housing, safety, transportation and employment
